

Central European Journal of
PHYSICS

Central European Journal of Physics (CEJP)

Central European Journal of Physics (CEJP) is an English-language bimonthly journal devoted to rapid publication of original research and review articles in all fields of physics.

The aim of this journal is to become the premier source of high-quality research from Central and Eastern Europe; however, contributions are welcome from all over the world.

Our central goal is:

- to publish timely, useful and informative results that will be of value to a general audience of physicists;
- to provide a forum for the dissemination of research data from the full spectrum of physics;
- to facilitate the collaboration of researchers from different countries.

All our authors receive transparent, comprehensive and fast peer review. We provide free language assistance to the authors of all accepted articles. Every article published in our journal is promoted to researchers working in the respective field. We do not charge our authors any publishing fees.

Coverage includes:

- Acoustics,
- Astrophysics,
- Atomic and Molecular Physics,
- Biological and Medical Physics,
- Computational Physics,
- Condensed Matter Physics,
- Cosmology and Gravitation,
- Fluid Mechanics,
- Geophysics,
- Nanophysics,
- Optics and Lasers,
- Particle and Nuclear Physics,
- Plasma Physics,
- Statistical and Nonlinear Physics,
- Surface Physics,
- Theoretical and Mathematical Physics.

Abstracted / indexed in:

Academic OneFile; Advanced Polymers Abstracts; ADS; CSA; CAS; Current Contents/Physical, Chemical and Earth Sciences; Earthquake Engineering Abstracts, Engineered Materials Abstracts; Gale; Google Scholar; INSPEC; Journal Citation Reports/Science Edition; Materials Business; Mechanical and Transportation Engineering Abstracts; OCLC; Proquest, SCOPUS; Science Citation Index Expanded (SciSearch); Solid State and Superconductivity Abstracts; Summon by Serial Solutions, Chemical and Earth Sciences.

How to Submit?

Manuscripts should be submitted via online submission system
Editorial Manager available at
<http://cejp.edmgr.com/>

Impact Factor (2010): 0.691

Editor-in-Chief:

Jonathan L. Feng, University of California, Irvine, USA

Managing Editor:

Krzysztof Malarz,
AGH University of Science and Technology, Krakow, Poland
(email: kmalarz@versita.com)

CEJP features:

- research and review articles,
- rapid and short communications,
- comments and replies.
